- Tetanus is a preventable disease through vaccination to prevent tetanus infection especially in the outdoors.

- For more information on tetanus vaccination, please visit <https://www.healthhub.sg/a-z/medications/tetanus-vaccine>

- I acknowledge the risks of tetanus and the mandatory requirement of vaccination for programme participation. The participant is solely responsible for possessing a valid tetanus vaccination covering the entire programme duration. Failure to comply may expose the participant to risks, and MOE-OBS is not liable for any resulting consequences or inaction. If you are unable to receive tetanus vaccination due to medical reasons, please reach out to the Teacher Coordinator.

## Part 3: Declaration, Acknowledgement & Consent

### 27. General Declaration, Acknowledgement & Consent

- a) I declare and confirm that all the information provided is complete, true and accurate to the best of my knowledge, and there is no undisclosed information that would affect the Participant's suitability to participate in the Course.
- b) I understand all information will remain confidential and agree that MOE-OBS may obtain additional information from the Participant's school/ organisation (if applicable) to ensure safe participation and if necessary, disclose the condition to the peers in the group if MOE-OBS consider it necessary for the purpose of safe peer and/or group management.
- c) I acknowledge that additional medical information may be required for enrolment into the Course and agree to be responsible for any charges associated.
- d) I agree to promptly inform MOE-OBS of any change in the information provided.
- e) I acknowledge that the Course involves different frequency of meal times and activities such as, but are not limited to: land- and/or sea-based component(s) such as kayaking/rowing/sailing in the sea/reservoir/waterbody, trekking with load on uneven terrain, traversing at heights on high rope courses and camping outdoors in tents. These activities may be conducted in all weather conditions, over prolonged duration in the day.
- f) I give permission for MOE-OBS to administer any medical treatment that MOE-OBS deems necessary to maintain the Participant's well-being during the Course. ?

Please read through Part 3  
before ticking the boxes that follow

If I have declared that the Participant has any behavioural/psychological condition(s), I understand and accept that given the Participant's condition, and the nature of the Course, participation may involve additional risks arising from:

- i. Exposure to physical, mental, social and emotional challenges that may have influence on the Participant's ability to manage himself/herself;
- ii. Group supervision which requires the Participant to be able to understand and follow safety instructions and procedures without individualised attention by the OBS Group Instructor;
- iii. Possible adverse reaction of the Participant to the Course and/or peers in the same group due to the condition; and
- iv. Access to emergency medical services and/or special management of triggered condition on mainland Singapore being delayed depending on the location of the Participant, the nature of the terrain, prevailing weather conditions and other factors beyond OBS' control, at times by up to 2 hours (please note that 2 hours is an estimated timing as there could be factors beyond OBS's control that may increase the timing).
- l) I understand and accept the above and that safety procedures are in place to minimise risks, but complete elimination of these risks is not possible in the outdoor environment.
- m) I acknowledge that participation in the MOE-OBS Course is voluntary.
- n) I give consent to MOE-OBS to disclose the Participant's condition to the peers in the group if OBS consider it necessary for the purpose of safe peer and/or group management.

If I have declared that the Participant has a sensitivity to medication, environmental and/or food allergen(s), I ?

If I have declared that the Participant has a sensitivity to medication, environmental and/or food allergen(s), I understand and accept that given the level of the Participant's sensitivity to allergen(s), the Participant's ability to manage the condition, and OBS's limited ability to control the Participant's contact with either known or unknown allergens:

- o) I acknowledge the risks of, and agree to, the Participant's participation in the Course where access to emergency medical services could be up to 2 hours away. (I note that 2 hours is an estimated timing as there could be factors beyond OBS' control that may increase the timing.)

#### Consent for Collection, Use and/or Disclosure of Personal Data For Course-related Purposes

- p) The Participant's personal information, including any photographs and videos of the Participant during the Course, will be used for Course-related purposes. I also understand and agree that, where appropriate, necessary information may be shared with other government/public agencies, so as to improve the discharge of public functions and to serve me in the most efficient and effective way, unless such sharing is prohibited by law.
- q) OBS may send the Participant information related to the Participant's Course experience. For this purpose, we may use the contact information provided in this registration form or any other contact information separately provided by the Participant.

By submitting the registration form, I declare and confirm that I have read, fully understood and agree to all the parts in this form and I consent/grant my consent for the Participant to participate voluntarily in the Course. You may refer to <https://go.gov.sg/2024moc-> ?
